

Trustee Goals

2021-2022

What is the Town of Silverton doing about Affordable Housing?

The Trustees intend to work towards the Town breaking ground on an affordable housing project by December 31, 2022.

How is the Town of Silverton going to reinvest in the community?

The Trustees are committed to addressing the deferred maintenance of our current assets and resources including revitalizing Blair Street, Molas Lake, and Kendall Mountain Recreation Area.

Does the Town of Silverton have a plan?

Yes, you are helping us create a Master Plan through participating in our community visioning and Compass Project activities.

The Town has a lot to do, how will you accomplish all of it?

The Trustees are committed to supporting the administrator to retain current staff, hire the necessary staff to support the Town's needs, and create succession plans for key roles.
